

CSHCS INFO #27-2013 - CSHCS Transportation Handout
Thu 11/7/2013 5:02 PM

Good afternoon. Attached you will find a new handout specifically created for families in need of transportation assistance information. This handout has been created to help families understand the types of transportation assistance available. Please feel free to distribute to families in welcome and renewal packets, during Plans of Care, and any other time you see fit.

Please let Courtney Pendleton know if you have any questions. Thank you!
